DOCKET NUMBER

PETITION RULE PROJ

73-12  
(69FR 64690)

Dear Sir,

I am very concerned about the safety of our nuclear reactors. It is imperative that they be shielded from possible air attacks. I understand that steel beams and cables can be inexpensively installed to protect the reactors.

Yours truly,

Bertha Kriegler  
527 Plymouth Ave  
Schenectady, NY 12308
