**Subject:** Petition comments on Fed Reg 11/8/04, vol 69, #215

I live between 3 mile island and peachbottom power plants. The CBG petition is crucial. We need a shield from the air, water, and land. Update the DBT to afford the protection needed since 9/11. Please give the recommendations of the CBG your utmost consideration. Thankyou. - Alan S. Peterson M.D.
