Lindsay,

Our records show the following:

Exhibits to all of our testimony, including EC-2, were sent by Federal Express to you 2/6/06

Our testimony and exhibits were e-mailed to you at the following addresses on 2/7/05:

Lindsay@lindsaylovejoy.com
Lovejoy@cybermesa.com

Our testimony on all contentions, including EC-2, were sent in hard copy by first class mail on 1/7/05.

Our records show that an error message was received from the cybermesa address. However, the e-mail to your other e-mail address was transmitted without error.

If you need any additional information, let me know.

Lisa

Hello Lisa and co-counsel-

I have checked and find that we were neither served by e-mail nor by U.S. mail with the direct testimony of Alan Toblin on contention NIRS/PC EC-2, which was due on January 7. Please check your records and advise me how you plan to deal with this situation.

Regards,

--Lindsay
