Dear Ms. Modes,

This letter is in response to our phone conversation on January 13, 2003 when you requested applications dated December 27, 1990 and September 12, 2001. After an extensive search, we were unable to find the documents requested. As we continue to review our radiation program, if these documents are found I will phone and forward them. Should you have questions or comments, please phone or email.

Sincerely,
