<p><u>Summary:</u> I left a message for Mr. Peterson to get back in touch with me concerning the non-receipt of a renewal application.</p> <p>15:00 I spoke with Mr. Peterson. He stated that he thought that the license expired on December 31 and he had until that time to get in the application. I informed him that the expiration date was, indeed, December 31 but that regulations required that an application for renewal or termination of the license be received thirty days prior to the expiration date. As of this date, neither had been received by the NRC. Mr. Peterson indicated that he would be see to it that the renewal application would be placed in the mail tomorrow. I thanked him for his attention to this matter.</p>
