Chief,

Most of the time accidents are minor and life as we know it and cherish endures.

Sometimes accidents happen, thousands die, the landscape is contaminated and it takes thousands of years to recover.

Please, no new nuclear power plants for Virginia. I love this state. Help me protect it for a very, very long time.

Please. It just is not worth the risk. Our country has developed technologies that are safer and more enduring in the long term. Let's use them.

I appreciate your attention to this.

Gratefully yours,

Evelyne Noel
