Mr. Jim Kottan
Nuclear Materials Safety Branch
U.S. Nuclear Regulatory Commission, Region I
475 Allendale Road
King of Prussia, Pa. 19406-1415

RE: License No. 37-00030-02, Renewal

Dear Mr. Kottan:

We hereby request renewal of subject license, and enclose the covering fee in the amount of \$340.00 (Category 3-P).

We are requesting an expiration date of December 31, 2004.

All the other conditions of the current license will remain the same except for the following.

Condition 11A. Licensed material shall be used by, or under the supervision of, Norman G. Fritz, Larry Harmon, Denise Dohl and Charles Berlin.

Condition 13. This was in conjunction with the characterization of the site and, since that has been completed, should be deleted.

Condition 14. This was in conjunction with the characterization of the site and, since that has been completed, should be deleted.

Condition 17. This was in conjunction with the characterization of the site and, since that has been completed, should be deleted.

Condition 18. This should be modified to reflect that we are again requesting

U.S. Nuclear Regulatory Commission

an exemption of the decommissioning funding plan. Please see the attached letter dated February 11, 1999 for reasons to grant Safety Light Corp. this exemption.

Condition 19. This was in conjunction with the characterization of the site and, since that has been completed, should be deleted.

The undersigned should be contacted with any questions concerning this renewal application.

Sincerely,

A handwritten signature in cursive script, appearing to read "Larry Harmon".

Larry Harmon
Plant Manager
