*Reference: Letter (PLA-5746) from Mr. B. L. Shriver (PPL) to NRC Document Control Desk titled
"Proposed Third Ten-Year Inservice Testing Program Plans for Susquehanna SES
Units 1 & 2," dated May 28, 2004.*

The purpose of this letter is to withdraw Relief Request Nos. 1RR04 and 2RR04 which were proposed for the Third Ten-year Interval for the Inservice Testing Program Plans for Susquehanna SES Units 1 and 2. These relief requests were originally submitted for approval in the above referenced letter.

PPL understands that the ASME Code Committee is proposing a code case on the subject of comprehensive pump testing. PPL will monitor the ASME Code Committee activity on this issue and may submit relief requests in the future.

Should you have any questions, please contact C. T. Coddington at (610) 774-4019.

Sincerely,

B. T. McKinney
