Dear Ms. Cosby:

Enclosed is Amendment No. 31 amending your NRC Material License No. 13-05605-01 in accordance with your request. Please note that the changes made to your license are printed in **bold font**.

Please note, as we discussed by telephone on February 1, 2005, we have not authorized Dr. Alexander to use the materials in 35.300 at this time. Dr. Alexander needs to submit his training and experience using the materials in 35.300. In support of your request to authorize Dr. Alexander for materials permitted under 10 CFR 35.300, please provide the following, as applicable:

- A. Previous license number (if issued by NRC) or a copy of the license (if issued by an Agreement State) on which the physician was specifically named as an authorized user for the uses requested; or
- B. Copy of the certification(s) for the board(s) recognized by NRC under 10 CFR Part 35, Subparts D, E, F, G, or H, and as applicable to the use requested; or
- C. Description of the training and experience identified in 10 CFR Part 35 Subpart J demonstrating that the proposed authorized user is qualified by training and experience for the use requested; or
- D. Description of the training and experience identified in 10 CFR Part 35 Subparts D, E, F, G, or H demonstrating that the proposed authorized user is qualified by training and experience for the use requested; and
- E. Written certification, signed by a preceptor physician authorized user, that the above training and experience has been satisfactorily completed and that a level of competency sufficient to function independently as an authorized user for the medical uses authorized has been achieved; and
- F. If applicable, description of recent related continuing education and experience as required by 10 CFR 35.59.

NRC Form 313A (enclosed) may be used to document this information. Please note that if the board certification, or training and experience, was received more than 7 years ago, evidence of recentness of training in accordance with 10 CFR 35.59 must also be submitted."

If you wish to pursue this matter, please resubmit your request as additional information to **control 313948**.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

Please note that on October 25, 2004, the NRC suspended public access to ADAMS, and initiated an additional security review of publicly available documents to ensure that potentially sensitive information is removed from the ADAMS database accessible through the NRC's web site. Interested members of the public may obtain copies of the referenced documents for review and/or copying by contacting the Public Document Room pending resumption of public access to ADAMS. The NRC Public Document Room is located at NRC Headquarters in Rockville, MD, and can be contacted at 800-397-4209 or 301-415-4737 or pdr@nrc.gov.

Sincerely,

William P. Reichhold
