Subject: re. Financial Assurance		
Summary: I spoke with Ms. Wilson about the Whittaker Financial Assurance instruments submitted on Aug 11, 2003. Whittaker has requested keeping their financial statements non-public, but did not understand the process for making this request. I informed Ms. Wilson about the instructions specified in 10 CFR 2.390, and explained that this was what they must do to request this. I emailed Ms. Wilson a link to this regulation and offered to assist if they had additional questions.		
Action Required/Taken: Link to 10 CFR 2.390 emailed to Ms. Wilson. E-file sent to LAT
