Subject: Additional Information			
<p>Summary:</p> <p>The licensee requested to add Am-241 Anatomical Markers to its license and stated that the material will be used for training purposes. I called the RSO to request the following additional information:</p> <ol style="list-style-type: none"> <li>1. Details of the training program for the individuals who will be permitted to use the material and who will provide the training;</li> <li>2. Storage of material when not in use and security arrangements;</li> <li>3. How the material will be transported to various locations, including description of containers, shielding, etc.; and</li> <li>4. Accountability of material at various locations (records of transfer to various locations, etc.).</li> </ol> <p>He promised to fax the information as soon as possible. I requested that he include the control number 136451 in his response. He also stated that these wands are being acquired from the VA Hospital in Milwaukee, WI, and one from VA Hospital in Kansas City, KS, where they are no longer needed.</p>
