Subject: Final Status Survey Report Data

Betsy,

Please find attached the advance copy of the Final Status Survey Report for FB 8.

This report is pending internal review of the FDA/CFSAN management and minor administrative changes.

The FSS data is primarily contained in Attachment 6, Attachment 8, Attachment 9, and Attachment 10. This information will not be included in the hard copy version per our discussion on October 12, 2004 and December 30, 2004.

If you are unable to open the attached files, please contact Don Demers at 301-827-1006 to provide you assistance with the attachments.

As previously discussed, I will return to work in February 2005 from my military duty.
