Subject: Update License to include Sabia On-Belt Analyzer

Kathy,
Emerald Coal Resources, LP License No. 37-20567-02, amendment application to include Sabia XC Series - 25 Materials Analyzer per Device Registration NR-1195-D-103-S. There is some confusion as to the name of the Sabia Analyzer. The official name is Sabia XC Series - 25 Materials Analyzer, Serial Number 0204-600289-0005 as per April Montera of Sabia. Sorry for the confusion. Also, I did not catch your last name to include in this correspondence.

Thank You,

Douglas A. Montgomery
