Phil Stoehr
Manager, Radiation Safety

RE: Amendment to US Nuclear Regulatory Commission License 42-02964-01

Dear Mr. Whitten,

The purpose of this letter is to request a change of RSO for Baker Atlas. Mr. David Huber will be assuming this position on or about 14 February 2005. Included with this amendment request are copies of Mr. Huber's education, training, and work experience.

In addition, Mr. Huber will attend a local RSO school at his earliest convenience.

If you have questions or require additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Phil Stoehr".

Phil Stoehr, RSO

Work Experience

2001 to Present	Training Engineer; Baker Hughes/Baker Atlas; Grand Prairie, TX –Part of team that developed 8-Hour Operator Radiation Safety Course. Texas licensed instructor for RSOWL. Serve as training RSO. Developed and teach Field Operations School (FOS). Implementation instructor for Crosby Lifting Course. Certified instructor for Chemical Cutter. Teach Pipe Recovery and Hoist Computer Logging System.
1998 to 2001	Training Manager; Wood Group Logging Services; Lafayette, LA - Responsible for training of all field personnel. Developed classroom training materials, established standard operating procedures, and trained field personnel. Redesigned logging technique for the Radial Bond Tool in conjunction with Mike Monticello of CSS. Served as interim manager for various Districts.
1997 to 1998	Training Engineer; Wedge/Dialog; Grand Prairie, TX - Designed the Phase II Training Program. Taught the Phase II, Computerized Logging, and Pipe Recovery Training Programs. Provided special project supervision for California in Chemical Cutter and Electro-Magnetic Orientation.
1992 to 1997	Operations Manager; Wedge/Dialog; Edinburg, TX - Part of team that established new wireline district. Radiation and Explosives Safety Officer. Assisted in development of documentation for Radiation Site License. Supervised implementation of first computerized Service Unit within the company. Direct supervision and dispatch of field operations.
1991 to 1992	Computer Engineer; Royal Wireline; Edinburg, TX - Part of team that established new wireline district. Served as Operations Manager and RSO for the district. Worked with Dr. Norman Carlson to design and implement a new gas/water profiling technique utilizing the Basket Flowmeter, Fluid Density, and Temperature tools.
1987 to 1991	Operation Manager; Atlas Logging Services & NL McCullough; McAllen, TX - Radiation and Explosive Safety Officer. Local area system administrator for Oracle Database. Special presentations for technical sales. Computerized logging on the PDP 11-34 and 11-73 computers.
1983 to 1987	Training Engineer; NL McCullough; Houston, TX - Assisted in the design of the Field Engineering Program. Solely responsible for teaching the Advanced Cased Hole Log Interpretation, Production Logging, Pipe Recovery and Computerized Logging Sections. Also taught Basic Open Hole Theory and Interpretation, Radiation Logging, Acoustic Logging, Pipe Inspection Logging, Electrical Theory, Geology, Reservoir Engineering and Mechanical Services. Beta tested various revisions of the logging software for the PDP 11-73.

1982 to 1983	Regional Engineer; NL McCullough; Bakersfield, CA - Performed full line of cased hole services, including Pipe Recovery, Radioactive Tracer Surveys, Completion Logging, Production Logging and Perforating. Field training of new engineers. District RSO. Assisted Dr. Bruce Murdock in the development of a Gravel Pack Evaluation Technique utilizing the Compensated Neutron. One of four engineers designated as General Field Engineer upon implementation of the Field Engineer Program. Asked by McCullough to transfer to Houston as trainer.
1981 to 1982	District Manager; NL McCullough; Rock Springs, WY - Supervised cased hole wireline center with fifteen personnel. Increased sales 30% in operational area declining in activity. Increased return on assets from negative to 80%. Increased profit from negative to 40%. Served as RSO for District.
1979 to 1981	International Engineer; Schaeffer de Mexico, Divisione de McCullough; Villahermosa, Mexico - Performed full line of cased hole services, including Pipe Recovery, Completion Logging, Production Logging and Perforating. Radiation Safety Officer for Mexico. Performed multiple Pipe Recovery Operations below 20,000' and one below 30,000'.
1978 to 1979	District Engineer; NL McCullough; McAllen, TX - District RSO. Direct supervision and training of new field personnel in all areas of activity. Also direct supervision and/or performance of difficult or sensitive projects. Specialized in Well Diagnostic Production Logging.
1976 to 1978	Logging Engineer; NL McCullough; McAllen, TX - District RSO. Direct performance of wireline services. Services performed included Gamma Ray, Neutron, Cement Bond, Noise, Temperature, Caliper, Inspection, Isotope Tracer, and Electromagnetic Orientation.
1972 to 1976	Program Developer; Texas Department of Corrections; Huntsville, TX - Developed programs, prepared grant proposals, monitored on-going programs, and served as technical editor for the Research and Development Division. Developed funding for \$3.5 million of federal funding for 33 projects. Prepared the Annual Report to the Governor, special reports, and drafted legislation.

Education

1975 to 1976	Sam Houston State University; Huntsville, TX - Graduate hours in law, criminology, and corrections.
1969 to 1972	Stephen F. Austin State University; Nacogdoches, TX - <u>Bachelor of Science in Education</u> - Advanced hours in biology, math, chemistry and English.
1968 to 1969	United States Naval Academy; Annapolis, MD - Plebe year.

Dear Mr. Ward,

We wish to advise you that the following persons of NL McCullough have satisfactorily completed our (24) twenty-four hour radiation safety school for Well-Loggers:

Floyd L. Kelley	Long Beach, California
David Creech	Long Beach, California
Jesse James Pearson	Long Beach, California
Joseph Paul Montoya	Long Beach, California
George M. Martin	Rio Vista, California
Richard L. Burrows	Bakersfield, California
Michael D. Williams	Bakersfield, California
David Huber	Bakersfield, California
Dennis Lewis	Bakersfield, California

Sincerely,

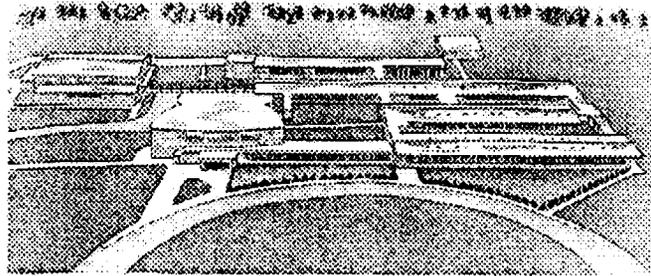

Wally Roos
