Docket No. 03036537
Control No. 136414

License No. 29-30901-01

Glenn Hersh
Chief Operations Officer
The Montclair Breast Center
37 North Fullerton Avenue
Montclair, NJ 07042

SUBJECT: THE MONTCLAIR BREAST CENTER, ACCEPTANCE OF NOTIFICATION,
AMENDMENT NOT NEEDED, CONTROL NO. 136414

Dear Mr. Hersh:

10 CFR 35.13(e) states, in part, that a licensee shall apply and must receive a license amendment before it adds to or changes the areas of use identified on the license, **except for areas of use where byproduct material is used only in accordance with either 35.100 or 35.200**. Although an amendment is not needed, 10 CFR 35.14(b)(4) requires that you notify the NRC of such changes.

In accordance with 10 CFR 35.14(b)(4), your letter dated January 21, 2005 is accepted as notification that you have added to or changed the areas of use identified on your license where byproduct materials are used in accordance with either 35.100 or 35.200.

Your cooperation is appreciated.

Sincerely,

Original signed by Steven Courtemanche
