<p>Summary:</p> <p>I called the RSO to get an update on the status of their bankruptcy. He stated that the company is still operating under Chapter 11 and are under receivership. However, a few of its creditors are pressing them to declare bankruptcy under chapter 7 so that they may get some of their assets. He stated that there was supposed to be a hearing on the creditors' petition on February 25, 2005, but it was postponed and is rescheduled to be held on March 9, 2005.</p> <p>I requested that he keep me posted about proceedings related to the bankruptcy. He promised to send me a letter detailing the outcome of the hearing on March 9, 2005.</p>
