Subject: Incomplete Application			
<p>Summary: The applicant did not submit the information requested in NUREG 1556, Volume 1. Also, LAT indicated that the application fee was also not submitted. I called Mr. Kolanovic to discuss these issues.</p> <p>He returned my call today and stated that his partner sent a check for 1200 dollars, but he did not know where the check was sent. He promised to investigate. He was not sure what was missing in the application so I told him to get NUREG from NRC web site. He was not familiar with NRC web site so I guided him to NRC web site and helped him get to NUREG 1556, Volume 1, Rev. 1, Appendix A, and B, helped him fill the information required in the appendices.</p> <p>He will fax the information as soon as possible. I told him that we can not review the application until the fee matter is resolved.</p>
