March 7, 2005

Docket No. 03003829
Control No. 135260

License No. 06-11703-02

David Erlingheuser
Radiation Safety Officer
P&G-Clairol, Inc.
2 Blachley Road
Stamford, CT 06922

SUBJECT: P&G-CLAIROL, INC., ISSUANCE OF LICENSE TERMINATION, CONTROL NO.
135260

Dear Mr. Erlingheuser:

Please find enclosed Amendment No. 23 terminating License No. 06-11703-02 as requested by your NRC Form 314 dated July 6, 2004. The Environmental Assessment for this action was published on Wednesday, February 23, 2005 in the Federal Register, Volume 70, Number 35, page 8855-8856. This termination is being issued in accordance with the requirements of the applicable NRC License Termination Rule (10 CFR 30.36, 10 CFR 40.42, and 10 CFR 70.38). All facilities previously used for licensed activities may be released for unrestricted use.

Since you no longer possess an NRC license, you are not required to maintain your financial assurance mechanisms. Please find enclosed your original financial assurance documents (surety bond dated March 31, 2002 and standby trust agreement dated September 1, 2001).

Please note that on October 25, 2004, the NRC suspended public access to ADAMS, and initiated an additional security review of publicly available documents to ensure that potentially sensitive information is removed from the ADAMS database accessible through the NRC's web site. Interested members of the public may obtain copies of the referenced documents for review and/or copying by contacting the NRC Public Document Room pending resumption of public access to ADAMS. The NRC Public Document Room is located at NRC Headquarters in Rockville, MD, and can be contacted at 800-397-4209 or 301-415-4737 or pdr@nrc.gov.

Your cooperation with us is appreciated.

Sincerely,

Original signed by Kathy Dolce Modes
