Tom,

The invoices are delayed because the Fee Billing system needed to be converted to read FY 2005 Budget and Reporting codes. The fee billing staff indicated to me that they are currently generating the invoices and that your invoice will be in the neighborhood of \$561K.

John,

Exelon has not yet received the NRC's invoice for the 4th quarter of 2004 for fees in connection with the Exelon ESP. It would be very helpful to our accounting systems if we could receive the invoice ASAP. Eddie Grant may have already asked about this. Sorry for the redundancy. Thanks.
