Dear Mr. Talbot:

Indianapolis Power & Light Company Readiness Audit Report

A copy of the audit team's final report for the Indianapolis Power & Light Company (IPL) readiness audit, completed on August 12, 2004, has been posted on the NERC Web site <http://www.nerc.com/~rap/audits.html> in accordance with the Compliance and Certification Committee procedure.

That procedure states:

The final audit report will be posted to the NERC website. Should there be a disagreement regarding the findings and recommendations, the control area may provide a statement in writing to be posted in conjunction with the final audit report.

Should the control area seek adjudication of the dispute through the dispute resolution process, it shall notify NERC within thirty days from the time the audit is posted and transmitted to the control area.

The audit report includes several recommendations from the audit team. IPL is to submit an improvement plan to ECAR addressing each of these recommendations. ECAR, working with NERC, will monitor the implementation of these plans.
