Dear Mr. Gluszak:

This is to express my gratitude on behalf of the United States Nuclear Regulatory Commission (NRC) for your willingness to temporarily store four nuclear moisture-density gauges that were owned by Imaging Subsurface, Inc., a former NRC licensee. Your cooperation in ensuring that the gauges were adequately secured until they were transferred to the manufacturer assisted us in protecting public health and safety.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,
