RE: Amendment Request for Radioactive Material license
37-30856-01 03036454
Franklin County Heart Center; Chambersburg, PA

Gentlemen:

Effective immediately, please add Betsie Figueroa-Cruz, M.D. as an authorized user to this license. Dr. Figueroa-Cruz's credentials can be referenced from license number (37-30760-1 (MedCath Diagnostics, LLC d/b/a Cardiac Imaging of Northeast Philadelphia). In addition, please change the Radiation Safety Officer from Dr. Brill to Mark T. Perna, M.S. Mr. Perna's credentials can be referenced from license number 37-11562-01(The Medical Center, Beaver, PA).

a. Mark.Perna has the full support of the management of Franklin County Heart Center in exercising control over the radiation safety program. He has the full support of management in exercising control over authorized users or any other persons when confronted with radiation safety problems that require the implementation of corrective actions.

b. Mr. Perna has the full support of management in procuring all reasonable funds to facilitate the objectives of our radiation safety program and related regulatory requirements.

c. Mr. Perna is a medical physics consultant with accounts primarily located throughout Pennsylvania, West Virginia and Ohio. He expects to be routinely on-site an average of 1-2 hours per quarter. Given the small size of our cardiac-only program, this is expected to be more than adequate to meet all of the NRC and PA state regulatory requirements. The radiation safety program is in excellent shape and is running very smoothly. In the unlikely event that any problems occur that cannot be handled by phone, e-mail or fax, Mr. Perna will return to handle them in a timely manner. He could be onsite in under 3 hours.

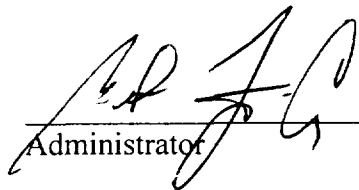

d. Jean Shipman, Chief Technologist, has been appointed in-house representative to Mr. Perna. He will serve as point of contact in Mr. Perna's absence.

e. Mr. Perna is generally available 24-7 by phone and slightly less so by e-mail.

Please delete Dr. Brill from our license.

If you have any questions or require additional information, please do not hesitate to contact the undersigned.

Sincerely,

Administrator

This is to acknowledge the receipt of your letter/application dated

2/14/2004, and to inform you that the initial processing which includes an administrative review has been performed.

☒ Amendment 37-30856-01 There were no administrative omissions. Your application was assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.
