

March 15, 2005

The Honorable John Gordner  
603 West Main Street  
Bloomsburg, PA 18603

SUBJECT: SUSQUEHANNA STEAM ELECTRIC STATION - ANNUAL ASSESSMENT OF  
SAFETY PERFORMANCE

Dear Mr. Gordner:

I would like to personally invite you and other members of your organization to attend a meeting between the Nuclear Regulatory Commission (NRC) and PPL Susquehanna, LLC in which the NRC staff will discuss with PPL our annual assessment of the safety performance of the Susquehanna Steam Electric Station.

The meeting will be held at 2:00 p.m. on Wednesday, April 6, 2005, at the Susquehanna Energy Information Center, 634 Salem Boulevard in Berwick, Pennsylvania, and is open to the public for observation. At the meeting we will briefly discuss our Reactor Oversight Process and then discuss with PPL our assessment of the safety performance of Susquehanna and their response to our assessment. The meeting is open to the public for observation. Following the presentation, the NRC staff will be available to answer questions from you and members of the public regarding the safety performance of Susquehanna and the role of the NRC in ensuring safe plant operations.

The NRC recently completed its annual assessment of the safety performance of the Susquehanna Steam Electric Station in accordance with the NRC Reactor Oversight Process. Our assessment used the most recent performance indicator data and inspection findings from January 1, 2004 through December 31, 2004. We described our assessment results in a letter to PPL Susquehanna, LLC on March 2, 2005; A copy of that letter is enclosed. The NRC's meeting notice and attached meeting agenda, can be found in ADAMS with Accession Number: ML050700064. ADAMS is accessible from the NRC Web Site at: <http://www.nrc.gov/reading-rm/adams.html>.

You can also become familiar with our Reactor Oversight Process, the information we used in our annual assessment, and the specific safety performance at the Susquehanna Steam Electric Station through the NRC Web site. This information may be accessed at: <http://www.nrc.gov/NRR/OVERSIGHT/ASSESS.index.html>

Your schedule permitting, I look forward to meeting you on April 6, 2005. In the interim, please do not hesitate to contact me at 610-337-5209, if I can be of further assistance to you.

Sincerely,

*/RA/*
