SUBJECT: RECEIPT OF APPLICATION - ACKNOWLEDGMENT REVIEW

Dear Mr. Gregory:

By letter dated January 31, 2005, Washington TRU Solutions submitted an application for an amendment to Certificate of Compliance (CoC) No. 71-9218, Revision 17 for TRUPACT-II transportation package. This application proposes an exemption from 10 CFR 71.41(d) for transporting ARROW-PACK waste containers in TRUPACT-II packages.

This letter acknowledges receipt of your application and informs you that the application appears to contain the necessary information to begin our technical review. We have established a schedule for the review of this amendment request. The schedule allows for the staff to issue a possible request for additional information (RAI) by July 2005. If no RAI is needed, and based on the staff's evaluation, the amended CoC may be issued at approximately that time. To meet the schedule, it is incumbent upon Washington TRU Solutions to respond promptly (i.e., 60 days from the RAI receipt date) and comprehensively to any RAI. The amended CoC is scheduled to be issued by December 2005 if there is a RAI as a result of the technical review.

In general, no additional changes to the application will be allowed except for those that result in responding to a request for additional information (RAI). All additional changes, supplements, or enhancements may be treated as a new application.

Please notify me, in writing at your earliest opportunity, of any circumstances that may result in your inability to meet the schedule. Reference Docket Number 71-9218 and TAC No. L23811 in future correspondence related to this licensing action. If you have any questions regarding this matter, you may contact me at 301-415-8555.

Sincerely,

/RA/
