Dear Mr. Singh:

Thank you for your participation in the New Reactors Licensing session at the recent 2005 Regulatory Information Conference. Your perspectives on the role of nuclear power in the National Energy Policy and on the DOE nuclear power program were a valuable contribution to the session, and were of great interest to the large audience. Your discussion of DOE's interactions with the industry, your insights on prospects for new reactor construction and licensing, and your straightforward answers to questions from the audience all contributed to the overall success of our session.

Sincerely,
