Subject: Re: Proprietary Information

Mr. Miller,

In regards to our meeting today NUREG 1556, Vol. 3, Rev.1 "Consolidated Guidance About Materials Licenses: Applications for Sealed Source and Device Evaluation Registration", contains guidelines for proprietary information. Listed under Section 5.11 are guidelines for proprietary information on pages 5-8 and 5-9. In addition Appendix E includes a checklist for requests to withhold information from public disclosure.

Tomas,

Wanted to get something back to you before we meet. I will finalize our response after our meeting and send you the response on company letterhead. See you on the 25th.
