

March 21, 2005

MEMORANDUM TO: Douglas M. Collins, Director
Division of Fuel Facility Inspection
Region II

FROM: Robert C. Pierson, Director /RA/
Division of Fuel Cycle Safety
and Safeguards
Office of Nuclear Material Safety
and Safeguards

SUBJECT: RECOMMENDED CHANGES TO THE MASTER INSPECTION PLAN
(MIP) BASED ON THE LICENSEE PERFORMANCE REVIEW AT
HONEYWELL SPECIALTY CHEMICALS

We have reviewed Mr. Henson's memorandum dated March 16, 2005, recommending changes to the MIP for Honeywell Specialty Chemicals in Metropolis, IL. I concur with the recommendations. If there is anything that we can do to assist in this effort, please call our Project Manager, Mr. Michael Raddatz, at (301) 415-6334.
