Dear Mr. Kinneman:

In March of 2004 a letter was sent to you informing you of a change in the Operations Leader (Plant Manager) of the Pottsville Plant. A copy of the March 8, 2004 letter is attached for your reference.

We continue to receive correspondence addressed to the former Operations Leader, James Hull. Please confirm that NRC records for Honeywell's Pottsville Plant accurately reflect the current Operations Leader as James Terry.

Sincerely yours,
