SUBJECT: 2005 ANSWERS SEMINAR

Dear Ms. Middlemas:

Thank you for your recent request for Mr. Andrew Barto of my staff to make a presentation at the 2005 ANSWERS Seminar. I am pleased that you believe Mr. Barto could contribute to the seminar. My staff routinely uses two of the ANSWERS codes, MCBEND and MONK, and have had several interactions with your organization on the use of these codes.

Unfortunately, due to the limited travel funds and previously scheduled work, Mr. Barto will not be able to attend the seminar. Please feel free to contact Mr. Barto or other members of my staff on issues related to the radiation shielding and nuclear criticality codes.

Again, thank you for your request and your continued interaction with my staff on the various codes is appreciated.

Sincerely,

/RA/

E. William Brach, Director
Spent Fuel Project Office
Office of Nuclear Material Safety
and Safeguards
