RE: Inspection for Compliance: November 2004
License Number :45-25014-02: Corrective Action(s) for Violation

0303397

Ms. Modes,

In accordance with 10 CFR 20.1101(c), Mac Const., Inc. has performed an annual review of our written Radiation Protection Program. The review was conducted on December 21, 2004, those persons attending were: Mark L. McClanahan (President/RSO), and authorized users Donald Matney, James Yates and Jody Meadows. The review included but was not limited to the following: sign in-sign out of gauge, proper maintenance and transportation of gauge and related documents, proper operation and handling of gauge in work zones and emergency contact response.

If you have questions regarding this matter please contact our office.

Thank you,

Mark L. McClanahan
President
