Subject: Amendment Request			
<p>Summary:</p> <p>I phoned Ms. Bryant on 03/09/05 regarding amendment request. She was not available but returned my call on 03/10/05. Licensee requested the merger of 29-06134-01 and 29-01698-02. Both licenses are held by Capitol Health System. RSO stated that both locations share the same management, physicians and radiation safety staff. We discussed the path of submitting an early renewal application for 29-01698-02, which expires on 09/30/05, to include both locations. Ms. Bryant indicated she would proceed with the renewal of 29-01698-02 as discussed. I informed her that I discussed the possibility of early renewal with Pam Henderson, Medical Branch Chief, who indicated that it was not a problem. Licensee also requested to add Brad Hoppenfeld MD as an Authorized User (AU) and remove Ira Stark MD as an AU.</p>			
Action Required/Taken: Add Dr. Hoppenfeld as an AU, remove Dr. Stark as an AU and defer license merger until renewal of 29-01698-02.
