Dear Steve,

To complete my review of your application, I need the following information from you:

1) Please send the following statement regarding your survey meters: "We reserve the right to upgrade our survey instruments as necessary as long as they are adequate to measure the type and level of radiation for which they are used." (See page 8-31 of NUREG 1556, Volume 9)

2) What is above and below the nuclear medicine department?

If you have any questions, please call me at (610)337-5102, or email me at rwm1@nrc.gov.
