Tammy,

OIP has reviewed the draft proposed FY05 fee rule as requested and has no comments. This response has been approved by Margie Doane, Deputy Director, OIP. If you need additional information, please let me know.

Vicky,

This completes the 1/11 portion of OIP Action Item #841. We will receive the document for final concurrence around 1/24/05 so don't close the Action item yet. Thanks.

Rita
