SISP Review Complete

The purpose of this modification is to incorporate as Section C.18, NRC's Information Technology Security Training clause. According the contract is hereby modified as follows:

"C.18 NRC INFORMATION TECHNOLOGY SECURITY TRAINING

NRC contractors shall ensure that their employees, consultants, and subcontractors with access to the agency's information technology (IT) equipment and/or IT services complete NRC's online initial and refresher IT security training requirements to ensure that their knowledge of IT threats, vulnerabilities, and associated countermeasures remains current. Both the initial and refresher IT security training courses generally last an hour or less and can be taken during the employee's regularly scheduled work day.

Contractor employees, consultants, and subcontractors shall complete the NRC's online security courses, including "Computer Security Awareness" and "Information Security Awareness Training" courses within the deadlines set by the notices for such training.

Contractor employees, consultants, and subcontractors who have been granted access to NRC information technology equipment and/or IT services must continue to take such security training offered online by the NRC throughout the term of the contract. Contractor employees will receive notice of NRC's online security training requirements through agency-wide notices.

The NRC reserves the right to deny or withdraw Contractor use or access to NRC IT equipment and/or services, and/or take other appropriate contract administrative actions (e.g., disallow costs, terminate for cause) should the Contractor violate the Contractor's responsibility under this clause."

All other terms and conditions remain unchanged.
