Subject: Stand By for Adjustment to Green Ticket # G20040361

Hi TJ,

For the record, please see the attached dialogue between Joe Petrosino and Bill Dean. Apparently there will be an "adjustment" for the subject green ticket, since it flew into allegation air space. We delivered a copy of the requested allegation acknowledgment letter to Mr. Dean this afternoon, as he requested.

This is just a flag not to mark us late. :-) Let us know if you hear anything.

Thanks,
Julie
