Bill:

A copy of the acknowledgment letter was hand-carried to your secretary and an electronic copy is also attached.

I will wait for the "adjusted" Green Ticket from Cathy before responding, as you suggested.

Thanks for your help in resolving this issue,  
Joe

i have gotten agreement of chairman's office to send the Commission products we develop for this case as opposed to getting the commission's review of them. You will see an adjusted GT soon. GO ahead and send out the acknowledgement letter and get me a copy of it. Thanks.

Bill:

I have the "acknowledgment letter" signed and ready to be sent to the allegor. So I can either send it up to the Chairman's Office (?) and then send it to the allegor after the Chairman's concurrence, or I can send the approved and signed letter to the allegor in accordance with Management Directive 8.8, "Management of Allegations."

Also, Greg Cwalina will be on travel after 2:00pm today and will return on Monday, June 14th. Consequently, could you please copy me on any development on the issue so I may take whatever action is deemed appropriate.

Thank You,  
Joe Petrosino
