Todd,

Enclosed are the 741's that were submitted for the shipment of our Pu-239 foils and the 2 uranium discs.

Years ago we had some U-235 foils that were shipped to Oak Ridge. I trust they were removed from our balance long ago.

If not, I will try and locate the 741.

Mike

NUCLEAR MATERIAL TRANSACTION REPORT

Estimated burden per response to comply with this mandatory collection request: 1 hr and 15 minutes. This information is required for IAEA accounting reports that show changes in inventory of nuclear materials. Send comments regarding burden estimate to the Records Management Branch (1-5 F57), U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, or by internet e-mail to infocollections@nrc.gov, and to the Desk Officer, Office of Information and Regulatory Affairs, NIEOB-10202, (3150-0003), Office of Management and Budget, Washington, DC 20503. If a means used to ingress an information collection does not display a currently valid OMB control number, the NRC may not conduct or sponsor, and a person is not required to respond to, the information collection.
