3. The Statement of Work, page 3, the sections entitled “PAYMENT” and “PERFORMANCE INCENTIVE” is hereby deleted in its entirety and replaced with the following paragraphs entitled “PAYMENT” and “PERFORMANCE INCENTIVE”.

“PAYMENT

The NRC will pay the contractor for the selected candidates only after the candidate’s entrance on duty. The rate of payment for services rendered will be the fixed percentage (shown in the price schedule of the SF-1449) of a hired candidate’s base annual salary when the selectee is proposed within 30-45 days of the NRC request.

The base annual salary is determined by NRC Management Directive 10.41, Exhibit 1 (or other appropriate exhibit), which can be obtained from our website, www.nrc.gov. NRC will not pay for recruitment efforts that do not result in the candidate’s entrance on duty. NRC reserves the right to conduct its own concurrent recruitment efforts. If the contractor submits a qualified candidate who already has an application for the desired positions on file with NRC, the NRC will not pay for placement of that candidate.

Payment will be made 30 days after placement on board of candidate. If candidate leaves the NRC within 45 days of placement, the next placement will be provided at no fee.”

"PERFORMANCE INCENTIVE

The NRC will apply the following adjustments to the contractor fee for placement outside the 30-45 day window.

Positive Incentive - 2% higher than the fixed percentage shown in schedule for a hired candidate proposed under 30 days of the NRC request.

Negative Incentive - 2% lower than the fixed percentage shown in schedule for a hired candidate proposed over 45 days of the NRC request."

(NOTE: Changes are underlined)

The period of performance for this contract is from 01/05/2004 through 01/04/2006.

All other terms and conditions remain the same.
