Nuclear Regulatory Commission  
Washington, DC 20555-0001

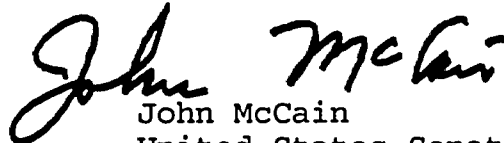

Dear Mr. Rathbun:

I wish to bring to your attention a letter from Mr. Seth Campbell who has a concern with water contamination as it relates to nuclear power plants.

Because Mr. Campbell's concern falls under your area of expertise, I am respectfully deferring this matter to you for consideration. I feel that this issue would be better addressed by you and request that you respond directly to Mr. Campbell.

Thank you.

Sincerely,

John McCain  
United States Senator

To the Honorable Senator McCain,  
My name is Seth Campbell. I go to Rhodes JR. High, and I'm in the 7<sup>th</sup> grade. I'm writing this letter for my Geography class. We are currently studying some of the world's problems such as: trash build up, nuclear disasters, etc. I previously wrote to you about the Palo Verde Nuclear Power Plant. But today I'm writing to you about the water contamination and how it was treated. If you could please regard my letter with concern it would be deeply appreciated.

Sincerely,  
Seth Campbell
