Dear Mr. Inzirillo:

Thank you for your support of the 2005 Regulatory Information Conference (RIC). The Emergency Preparedness Breakout Session was extremely well attended and we received very positive feedback on the quality of the session. Your perspectives on emergency preparedness in the post-9/11 threat environment were particularly informative. Also, your participation in the question and answer portion of the session is greatly appreciated.

We have updated the RIC web site to include the slides, speeches/presentations from RIC 2005. We will also be adding the responses to unanswered questions to the web soon. Later this year we will post an on-line stakeholder suggestion form for planning RIC 2006.

Again, we appreciate your contribution to making this year's Emergency Preparedness Breakout Session a success.

Sincerely,
