Subject: Renewal Application			
<p>Summary: The renewal application included all necessary items, but they all referred to NUREG 1556, Vol. 1. I called the licensee to remind them that this volume has been revised and they need to refer the latest document (NUREG 1556, Volume 1, Revision 1) in their application.</p> <p>The licensee promised to send another application that references the revised version of the document. I gave him the fax number and control number.</p>
