Re: Gary Pierce

Dear Mr. Congel:

This will confirm my telephone conversation on March 7, 2005 with Robert D. Starkey that on behalf of my client, I am advising you that he does not desire to have a hearing on the ADR resolution made by USEC, arising out of his complaint.

Mr. Pierce, will, soon, submit additional documentation to support an allegation, relative to the five complaints he filed in late 2002 and in 2003, which, hopefully will result in an additional investigation.

Very truly yours,

John Frith Stewart
