Washington, DC 20555-0001

Dear Sir or Madam:

I have reviewed NUREG-1437, Supplement 23, draft (*Generic Environmental Impact Statement for License Renewal of Nuclear Plants, Supplement 23, Regarding Point Beach Nuclear Plant Units 1 and 2, Draft Report for Comment*). I find that the supplement has acceptably evaluated the environmental impacts of license renewal for the Point Beach Nuclear Plant. I recommend that the report be issued as final.

Sincerely,

*J. Kevin McCoy*  
J. Kevin McCoy
