SUBJECT: DOCTOR'S CENTER HOSPITAL, ISSUANCE OF LICENSE AMENDMENT,
CONTROL NO. 136459

Dear Dr. Blanco Ramos:

This refers to your license amendment request dated February 9, 2005. Enclosed with this letter is the amended license.

We have noted a discrepancy in the way your hospital's name is punctuated on your letterhead, "Doctors' Hospital Center," versus "Doctor's Hospital Center" on your initial NRC license application and current license. Please notify us if the punctuation on your license should be corrected to "Doctors' Hospital Center."

Please review the enclosed document carefully and be sure that you understand and fully implement all the conditions incorporated into the amended license. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region I Office, Licensing Assistance Team, (610) 337-5239, so that we can provide appropriate corrections and answers.

An environmental assessment for this action is not required, since this action is categorically excluded under 10 CFR 51.22(c)(14).

Current NRC regulations and guidance are available at the NRC Web sites listed below or by contacting the Government Printing Office (GPO) toll-free at 1-888-293-6498. The GPO is open from 7:00 a.m. to 9:00 p.m. EST, Monday through Friday (except Federal holidays).

Thank you for your cooperation.

Sincerely,
