**Date:** 10/20/02 6:28PM  
**Subject:** Fwd: Oct 31 meeting - DPV's

Sunny,

Please see the attached series of emails concerning the 3 DPVs on 10 CFR 50.69. Check with Sam first, but I believe the action request from the EDO's office is to include the three original DPVs in the public access area of ADAMS.

I'll be in Region 1 until Friday and won't be able to follow through.

Darrell
