Subject: Oct 31 meeting - DPV's

I have talked to Tom, Dave, and John again this morning and confirmed that the Commission would welcome them at the meeting and that we were allocating 15 minutes to them on the agenda. All will participate and will confer on a presentation/splitting of the time.

All three are also OK with public release of their DPV's.

10/25

Jim talked to Dave Matthews on Mon, October 21, 2002, and confirmed that the three submitters were OK with public release of their DPV's
