Dear Mr. Reichhold,

Could you please change the name for the Radiation Safety Officer on license No. 24-32479-01 to Lorie Crandell. I have listed my qualification and work history per NUREG 1556 section 8.7.

- Certification of Completion Radiation Safety Officer Class from Troxler Electronic Laboratories, Inc. on May 5, 2004.
- Twelve years nuclear density machine field-testing with Terracon Consultants, Geosystems-Klinefelter, and the City of Lenexa, Kansas.

Should you have any further questions, please feel free to contact me at (816)-892-3019 or at [lcrandell@raymore.com](mailto:lcrandell@raymore.com). . Thank you for your assistance in this matter.

Sincerely,

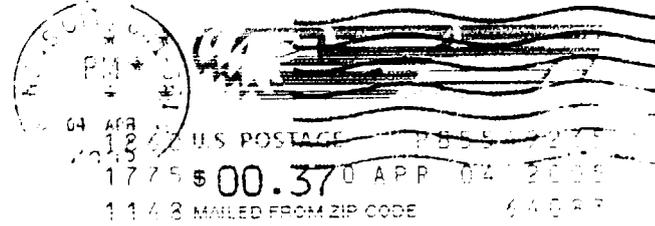

Lorie Crandell, Engineering Technician
