RE: Updated Information for Groundwater Monitoring Plan  
Sequoyah Fuels Corporation  
Gore, Oklahoma

Dear Mr. Barwick:

The Oklahoma Department of Environmental Quality (Department) has reviewed the above captioned information submitted by Sequoyah Fuels Corporation (SFC) to the U. S. Nuclear Regulatory Commission (NRC) on February 28, 2005.

The information was submitted in response to requests from the NRC for additional information for the proposed Groundwater Monitoring Plan (GWMP). The Department concurs with the information submitted and will incorporate the replacement pages into the proposed GWMP. The Department will continue its review of the proposed GWMP as further information requested from Sequoyah Fuels Corporation is provided.

If you have questions regarding our review of this document, please contact Mr. Robert Replogle at 405.702.5131 or robert.replogle@deq.state.ok.us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Saba Tahmassebi', is written over a horizontal line.

Saba Tahmassebi, Ph.D., P.E.  
Chief Engineer  
Land Protection Division
