In the Matter of
LOUISIANA ENERGY SERVICES, L.P.
(National Enrichment Facility)
Docket No. 70-3103-ML

Dear Administrative Judges:

As John T. Hull's supervisor, this letter is to notify you that Mr. Hull, who had entered an appearance as Counsel for the NRC Staff in this case, recently advised me that beginning in 1995, his membership in the Maryland Bar has been in an "inactive" status. Mr. Hull further advised me that for years 1994 through 2001 he similarly maintained "inactive" status in the District of Columbia (D.C.) Bar and that in June 2002, he resigned from the D.C. Bar. I am not aware that Mr. Hull is, or has been, a member of the bar of any other state or licensing

jurisdiction. Mr. Hull has been directed to take the necessary actions to become an “active” member in the bar of a State, D.C. or other licensing jurisdiction. He has stated his intent to do so.

Respectfully submitted,

/RA/
