Subject : Mercer Bucks Cardiology – Info for the Yardley Site

Hi Jim,

Dennis Carlson faxed a note to me asking for some additional information on the new site in Yardley.

Attached is a diagram of the proposed hot lab set-up, and a list of equipment that was ordered to give you an idea of how the area will be maintained.

If you have any other questions and I may be of assistance, please feel free to give me a call.

Thank You,
